**OVERALL  
ENGLISHSCORE****OVERALL CEFR LEVEL**

This summary report is automatically generated when a registered EnglishScore user successfully certifies Core Skills, Speaking, and Writing results. Scores shown are the candidate's best (highest) certified scores.

The Overall EnglishScore is determined using a weighted average that values Core Skills at 60%, Speaking at 20%, and Writing at 20% of the final score. For more information on the EnglishScore tests and scoring please visit [www.englishscore.com](https://www.englishscore.com).

EnglishScore verifies each certificate independently, but does not check that the photograph from each certificate matches the others. Questions may be directed to [contact@englishscore.com](mailto:contact@englishscore.com).

# Understanding the CEFR level

## CORE SKILLS

CEFR level

### At this CEFR level you:

understand extended speech even when the structure is complicated and opinions, topics and relationships are implied rather than signalled explicitly;

understand long and complex factual and literary texts, as well as specialised articles and longer technical instructions from a variety of fields;

interact fluently and spontaneously, using language flexibly and effectively for social and professional purposes, including the formulation of complex ideas and opinions which can be skilfully linked to those of other speakers;

address and discuss complex subjects using a variety of idiomatic expressions and complex structures to integrate subthemes, develop particular points and offer appropriate conclusions.

## SPEAKING

CEFR level

### At this CEFR level you:

interact with a reasonable degree of fluency and spontaneity and actively participate in discussions on familiar contexts, explaining and defending your views;

use an extensive variety of phrases and complex structures to flexibly navigate discussions with native speakers around subjects related to your fields of interest without significant strain for either party.

## WRITING

CEFR level

### At this CEFR level you:

use written language flexibly and effectively for social and professional purposes, including the formulation of complex ideas and opinions, and expertly adjust communication to the context

discuss complex subjects using a variety of idiomatic expressions and complex structures to develop particular points and offer appropriate conclusions

expertly manage written discourse in a range of media channels (e.g. email, text messages, forums).
